Britain and the British

The important thing to remember is that Britain does not mean just England. The name Great Britain was given to the country by the Government in 1707 when Scotland was united with Britain, i.e. with England and Wales.

Britain covers quite a small land surface, but the variety of the scenery is large – from the rocky coastline of Scotland to the flat land of East Anglia.

The British have all sorts of traditional events and ceremonies, festivals, dances and plenty of fairs throughout the year. The Lord Mayor's Show in London is one of the most interesting of these when the new Lord Mayor rides in his magnificent coach.
