PITANJA:

Reading

New Belgrade

For centuries, the left bank of the river Sava used to be marshland. After World War II, this area was chosen as the location for New Belgrade. Voluntary youth brigades from all parts of the world built a new town – New Belgrade – a town of skyscrapers, wide avenues, parks, playgrounds, modern schools, stores and hospitals. Among the most imposing buildings are: the Government Administration Building and the Sava Center. The Sava Center is considered to be a very impressive centre for international meetings, conferences and cultural manifestations.

Are these statements true (T) or false (F)?

1. New Belgrade was built on the site of Old Belgrade.
2. The workers built New Belgrade in a short time.
